## TAXES

*“People should be able to keep more of their paychecks.”*

Loretta Gaffney is a strong supporter of allowing people to keep more of their hard-earned paychecks and using tax cuts to stimulate our state’s economy. She has already signed the “No New Taxes” pledge and Loretta is in favor of suspending the gas tax until prices come down.

Loretta Gaffney understands that new economic growth will help individual investors better prepare for their retirement, children’s education, or future needs. Most importantly, growth in our economy will create new jobs and spur opportunity for thousands of Maryland residents.

***Loretta Gaffney supports tax cuts to stimulate the economy and ease the burden on the Maryland taxpayers.***
